

## Cancellation terms and policies

While booking, you will be asked valid credit card details as a guarantee (type, number, deadline, heading) or exceptionally an advance bank transfer of part of the amount due, quantified from time to time by the our direction, according to the lenght of your stay.

At the discretion of our direction, a pre-authorisation from your credit card can be made, starting from one month before your expected arrival date.

In fact, the amount due to Terra e Lago is normally charged, or from you directly paid, during your stay or at the end of your stay.

In case you have preferred an advance bank trasfer as a guarantee, we point out that this amount is not returned in case of cancellation, within any date compared to the date of your bank transfer or the date of your expected arrival.

Check-in takes place in our shop/breakfast room. In order to always welcome you at our best and to avoid you waiting, we remind that our SELF-CHECK-IN is working (from 14.30 to 24), of which you will receive details shortly before your arrival date. Then, you will be asked your ID on the following day at breakfast.

## Cancellation policies

If you choose an advance bank trasfer as a guarantee, please note that this amount will not be returned in case of cancellation, within any date compared to the date of your bank transfer or the date your expected arrival.

If you choose to give us your credit card details as mentioned above, Terra e Lago reserves the right to:

- not withdraw any amount, if the cancellation took place over 14 days before your expected arrival date
